

School Traffic Arrival Procedures

Please, for the safety of our children:

In the morning, all traffic must enter St. Anthony's property through the Marshall Avenue entrance. Upon entering, drivers may choose to 1) go to the left of the School Annex or 2) go to the right of the School Annex, or 3) they may choose to accompany their child into the building.

1) Those who choose the right (or north) side should drop their children off at the breeze way doors. If possible those children should exit the car on the left side toward the building. If they exit on the right, the children should walk in front of their own car and not behind. After the children are safely to the building the driver may proceed ahead and exit onto North Sherwood and turn right. They must not make a U-turn!

2) Those choosing the left (or south) side of the Annex should drop their children off at the breeze way doors. If possible those children should exit the car on the right side toward the building. If they exit on the left, the children should walk in front of their own car and not behind. After the children are safely to the building the driver should then carefully make a U-turn toward the left and exit back onto Marshall Avenue.

3) Parents wishing to accompany their children into the building in the morning are encouraged to use the parking lot on the school gym (or north) side of the building.

Please, under no circumstances:

- allow children to go to the front, North Sherwood Avenue, entrance. These doors will be locked.
- allow children to go to south side entrance facing the Parish Center. These doors will be locked.
- pull around the car(s) in front of you. Children, and adults, are not expecting this!

School Dismissal Traffic Procedures

Please, for the safety of our children:

All cars must be parked, in rows, in one of the two parking lots located on either side of the annex.

Children should not move until they have first spotted their driver.

Then they should walk down the "aisle" that will bring them to the car door they will be entering. Parents are asked to stand by their cars with the doors closed.

Drivers should not begin exiting the parking lot until directed to do so by the teachers.

Please, do not:

- motion for a child to come to the car until the teachers have given the signal to move.
- park on North Sherwood Avenue and have children enter the car and drive away.
- park at the end of the School Annex and leave through Marshall Avenue.

Thank you for making safety the number one priority!
