

Santa's Secret Shop – December 9, 2022

What is the Secret Shop?

This annual event gives all St. Anthony's students **time to shop** for Christmas gifts for the important people in their lives. It also serves as a **fundraiser** for our school.

During the school day on Friday, December 9, the children come to the Shop with their class at a scheduled time. The Shop is set up in the **school gym**.

The Shop has several "departments" stocked with gifts. This year we have departments for **Men, Women, Tweens, Kids/ Babies, Pets, Holiday items**, and **Food/Candy**. The children have a great time selecting the perfect gift for everyone on their list.

Each gift is only \$2 and includes wrapping and a gift tag. Your child will come home with a bundle of wrapped and tagged treasures to put beneath the tree.

The Shop is staffed with **parent volunteers** who help the children select, wrap, and tag their gifts. Parents volunteer to set up, run, and clean up the shop. We will send home information on how to volunteer.

What do you need to do next?

- **By Tuesday, November 22**, complete the attached form and return it to the St. Anthony's School office in the attached envelope.
- Include cash or a check made payable to "St. Anthony School" for the gifts your child is purchasing.
- Email Allyson Huber if you have any questions: allysonhuber1985@gmail.com
